Article 5.2 Requirements for admission to the programme

5.2.2a Hardship clause applicable to students and bridging programme students due to Corona measures

1. As a special measure arising from the Corona crisis, at the student’s request, the Board of Admissions can decide to admit a student who is preparing for the final exam of the bachelor’s programme/bridging programme for one year, provided the student only needs to pass components with a joint study load of at most 15 EC credits.

2. Once the student has passed the final exam of the bachelor’s programme/bridging programme, admission for the remaining months will be converted to a definite admission.

3. If the student has not passed the final exam of the bachelor’s programme/bridging programme by 31 August 2021 at the latest, he/she will be excluded from further participation in the master’s programme until the bachelor’s exam/bridging programme exam has been passed.

4. This article becomes effective once the ‘Emergency Act relating to study delays resulting from Corona’ enters into force.
