Flowchart Ethics Review Committee

1. Researchers consult the checklist.
2. The researcher does not need to submit a questionnaire.
3. The researcher submits a questionnaire for the ethical review of his/her research to the Ethics Review Committee.
4. After receiving the questionnaire, the secretary will determine which procedure will be followed.
5. Short procedure. The questionnaire will be assigned to 2 members of the committee.
6. Review of the questionnaire during the next meeting of the Ethics Committee.
7. The secretary sends the outcome of the review to the researcher.
8. The outcome of the meeting is sent to the researcher no later than 15 days after the meeting.
9. The outcome of the review is positive, negative or an adjustment is needed.
