PhD Graduation Plan, Institute of Psychology, FSW, Leiden University

1: PROJECT DETAILS
a) Title of Research Project:

b) Promotor
   -Name, title(s):
   -Departmental Unit (or Institute):
   -Address for correspondence:
   -Telephone: E-mail:

c) Co-supervisors (at least one)
   -Name, title(s):
   -University, Departmental Unit (or Institute):

d) PhD Fellow (if known)
   -Name, title(s):
   -Departmental Unit (or Institute):

d) Research/Teaching Time division (averaged over entire PhD trajectory) _____ fte Research / ____ fte Teaching. (Briefly justify when strongly deviating from default 4 years at 0.85 fte Research).

e) Start and End Dates (Expected) ______ to _______

2: FUNDING & REVIEW

a) Type of Fellowship (check and specify)
   NB. When “Other” please elaborate on how research time is being guaranteed (e.g., by external employer)

   0 Internally Funded (1st source of funding/1ste geldstroom)

   0 External Grant (2nd source of funding/2de geldstroom; e.g. NWO, ERC) (specify) ________________________________

   0 Industry Funded (3rd/4th source of funding/3de/4de geldstroom; e.g. EU, Collectebus) (specify) ________________________________

   0 Other (external PhD/ buitenpromovendus) (specify) ________________________________

b) Externally reviewed by ______________________ / Not Externally Reviewed
3: RESEARCH PROPOSAL CONTENT

a) Abstract (100 words)

b) Keywords (minimum two, maximum five):

c) Description of the proposed research
   If externally funded, please attach the grant proposal, and skip the four points below.
   If internally funded, please complete the four points below in a maximum of 3 pages.
   i. Research Topic and Theoretical Background
   ii. Methodological Approach (e.g. sample sizes; primary statistical approaches/analyses)
   iii. Outline (sub-projects, e.g., each forming a chapter in the dissertation)
   iv. Notes and References

d) Facilities within Research Group

   NB. Briefly indicate where the research will take place and whether necessary facilities are accessible.

4: PhD TRAJECTORY

a) Planning Research, and Training and Development

   NB. Indicate where training takes place (e.g., Research School, Internal, Summer school, (inter)national Conferences)

   Research Activities

       Year 1
       Year 2
       Year 3
       Year 4

   Training and Development

       Year 1
       Year 2
       Year 3
       Year 4
b) Budget Available (for total PhD-trajectory), please check what activities can be funded:

- 0 Research Consumables (e.g., participation fees, travel costs participants)
- 0 Training and Development

c) Expected scientific output and dissemination of results
(Thesis, papers, presentations, dissemination plan).

d) Data Management Plan
Available (number:______________)

NO (please explain why)______________

5: SIGNATURES

Submitted by ____________________________(name) on DD/MM/YYYY ________________(date)

____________________________
(Signature PhD candidate)

Approved by ____________________________(name) on DD/MM/YYYY ________________(date)

____________________________
(Signature first promotor)
